

## Club Permit Scheme - Member Requirements

*If you wish to register or renew your Club Permit Scheme vehicle registration through the GSCCR please read and sign the following agreement.*

The 'VicRoads' 45 or 90 day Log Book scheme places great responsibility onto the Owner and the Clubs for ensuring that the vehicles operating under this Club Permit Scheme are maintained in a Roadworthy Condition, and used according to the Permit Conditions.

A Club Permit is not a Registration, but a Permit for Restricted Use, and only available whilst the membership is current. This scheme is available to all eligible vehicles, as long as the vehicle is 25 years or older.

Permit holders must read and abide by the VicRoads Scheme rules. Failure to do so will immediately result in the Permit cancellation.

To be part of this Club Permit Scheme through this Club, the Owner must read and agree to the following by signing and returning this agreement as listed below:

1. The vehicle will be driven and used responsibly, so as to not bring the Club into disrepute.
2. When used on the road, the vehicle will present in a Roadworthy Condition.
3. The Log Book will be carried and filled out for each day before driving the vehicle.
4. The vehicle will not be used for Business purposes or for Hire or Reward.
5. The member must attend at least two 'official' events per year to help promote the Club.
6. Full details of each vehicle (& any changes) will be provided to the Club Permit Signing Officer.
7. The member shall present their Log Book at any stage when requested by a committee member to check for compliance.
8. This agreement must be re-signed each year upon Membership Renewal.
9. The Club Permit is immediately cancelled if the Club Membership Fee is not paid by the Due Date (even if the VicRoads 'Red Plate' Permit still has some months left to run).

I, ..... Member No. (if known) .....

agree to abide by the above conditions for my Club Permit vehicle/s.

### Please Note:

A member who fails to abide by any of the terms of this agreement above, will be contacted and summoned to attend a Committee meeting where they will be asked to 'show cause' as to why their Permit should not be cancelled by the Club and 'VicRoads'.

Failure to comply with this request without a valid reason will cause immediate cancellation of the Permit, and 'VicRoads' will immediately be notified of this decision.

The member may be given one warning to comply, but for serious breaches, the Permit will immediately be cancelled and 'VicRoads' notified.

When the Permit has been cancelled, the member will not be eligible to re-join the scheme with this Club for 12 months.
